Caring deeply for your skin
to achieve enduring results

The source of skin confidence

When you can bear yourself boldly, shine brightly, move freely and smile confidently, the world smiles with you.

It's your skin you show to the world and we know skin. We've gathered knowledge through practice and experience; trialling techniques, machine technology and products. We've worked with every skin type and most challenges. We'll listen closely and work with you to bring you a unique skincare programme that builds your skin-confidence.

A confidence you can share with the people you're close to and the new people you meet.

Begin your journey

A personal consultation to help us understand you, your lifestyle and regime, your aspirations and concerns, is the first step we take together on your skin confidence journey.

This equips our advanced aestheticians with the source knowledge to offer you expert advice and create a bespoke treatment programme individually tailored to your needs.

30 minutes **£28**

Facials

The Source Facial

A hands on customised facial concentrating on your individual needs and concerns.

Combining stimulating facial massage with advanced skin care products to leave your skin feeling rejuvenated and refreshed.

45 minutes **£68**

LED Light Therapy

Using low level medical grade LEDs, the Deesse Pro is clinically proven to rejuvenate and plump the skin, as well as helping with problematic skin concerns.

It has five different wavelengths of light to treat each individual concern. Suitable for all skin types and concerns.

30 minutes **£42** | Course of 6 **£210**

Deluxe HydraFacial

HydraFacial is a six step facial using unique technology to cleanse, detoxify, repair and deliver hydration and nutrients to the skin.

This facial is suitable for all skin types and is tailored to suit each individual.

60 minutes **£126** | Course of 6 **£630**

Platinum Personalised HydraFacial

In addition to the Deluxe HydraFacial this treatment is personalised with targeted boosters for specific skin concerns further enhancing the results from your treatment.

60 minutes **£176** | Course of 6 **£880**

Peels

AlumierMD Peels are the next generation of clinical exfoliation.

Our peels use a unique combination of ingredients which allows us to customise treatments and target specific skin concerns; revealing a radiant, soft and luminous skin. Consultation required prior to appointment.

Alumier POWER + Peel

Using lactic and salicylic acid, this medical grade peel can target uneven skin tone, minimise lines and wrinkles and pigmentation.

It can also be used to treat acne breakouts, scarring and redness in the skin.

30 minutes **£115**

Alumier Radiance Peel

This superficial peel will brighten and tighten the skin.

The ingredients will help to exfoliate dead skin cells, speed up cell turnover and stimulate collagen.

30 minutes **£89**

Observ

At The Source we use a diagnostic system called Observ, an advanced skin scanner that captures digital photographs of our client's skin.

Using eight different light settings, we can detect a host of skin concerns before they can be seen by the human eye giving us the opportunity to offer pre-emptive skin care solutions before problems arise.

45 minutes **£50**

Rejuvenation

ReBright

IPL technology allows us to target thread veins, redness and or pigmentation and sundamage. The treatment stimulates collagen regeneration to reduce fine lines and even the tone of the skin. Patch test required £45

Cheeks | **£105**

Full Face **£195**

Hands | **£157**

ReSurface

Fractional laser works into the dermis to cause dramatic skin renewal and retexturing. It relays collagen fibres in the skin, giving great results for fine lines, wrinkles, scarring and uneven texture.

Full Face **£310** | Course of 3 **£775**

Other areas available on request.

ReModel

Using radio frequency technology to stimulate collagen and elastin regeneration which creates a stronger and firmer dermal tissue. This non-invasive treatment helps to improve elasticity and tone while subtly lifting eyes, cheeks, jowls and neck.

Full Face **£158** | Course of 6 **£790**

Medical Needling

SkinPen creates controlled micro channels into the skin stimulating cell regeneration. This helps to strengthen the superficial layers of the skin. A fantastic treatment to minimize the appearance of pores, fine lines and wrinkles, tighten the skin and help reduce pigmentation and scarring.

75 minutes **£230** | Course of 3 **£625**
